Subject: Maynard Orlando NELSON (alias NELSEN) ✓
Realpolitical Institute, P. O. Box #1785, Chicago.

Subject has been employed as a book-keeper and accountant by the C. A. ROSS Company, 1315 Webster Street for approximately one and a half years. He also keeps the books of the Suncraft, Inc. same location.

According to [redacted] of both companies mentioned above, Mr. NELSON is considered a very loyal, and competent employee. He is trustworthy and sincere in his work and seems to cooperate with all the other employees, including four Negro men. Although he apparently is friendly with these Negroes, he recently failed to accept an invitation to the wedding party of one of the Negroes. [redacted] could give no explanation for this refusal except to say, "He probably had a reason for not being present".

b6
b7c

[redacted] further stated that in the year and a half that Mr. NELSON was in his service he has never once voiced any word that could be considered anti-anything. He merely does his work and seems to mind his own business.

About a week ago Mr. NELSON, who occupies a desk in the office of [redacted] told [redacted] that he thought he was being investigated. He explained briefly to [redacted] about his outside activity but, [redacted] stated, "I told him I was not interested in what he does on the outside. His private life is no concern of mine. So long as he does a good job for me I am satisfied. Mr. NELSON offered to quit his job to save me any possible embarrassment. I advised him that I did not want him to quit. If, in the future something comes up that would be detrimental to my company, then I will accept his resignation. As of now I can't see where any of his activities are so bad that they can possibly hurt me or my company."

[redacted] stated in conclusion that he does not have an application for employment with any information or references. He hired Mr. NELSON through an agency and accepted him on their recommendation. NELSON was previously employed by the HERALD-AMERICAN in a capacity similar to that of his present situation.

Form No. 1

THIS CASE ORIGINATED AT MINNEAPOLIS

FILE NO. 105-79

REPORT MADE AT ATLANTA	DATE WHEN MADE 3/13/50	PERIOD FOR WHICH MADE 3/9/50	REPORT MADE BY JOSEPH T. SYLVESTER, JR.
TITLE DEMOCRATIC NATIONALIST PARTY, MINNESOTA DISTRICT, MINNEAPOLIS, MINNESOTA			CHARACTER OF CASE INTERNAL SECURITY - X
SYNOPSIS OF FACTS: Informant advised MAYNARD NELSEN, of the Democratic Nationalist Party, has been in contact with EMORY BURKE, former leader of the Columbians, Incorporated. NELSEN and BURKE, according to informant, have corresponded at great length and according to informant, NELSEN is following the directions of BURKE, whom NELSEN has deemed as the "closest thing to the leader yet." According to informant, BURKE is to start serving a three year sentence in the State Prison of Georgia during May, 1950, for an infraction of the law involved during the Columbians regime in Georgia in 1947.			
DETAILS: Confidential Informant T-1, of known reliability, stated that on Tuesday, January 24, 1950, MAYNARD NELSEN, of Minneapolis, Minnesota, had stated that he, NELSEN, had received several letters from EMORY BURKE at Montgomery, Ala. and that all of these letters are long, one of them at least twenty-five pages in length. NELSEN, according to informant, stated that he had returned them to BURKE as soon as he had read them inasmuch as it could cause BURKE trouble if the "heat" of BURKE's statements was known at this time. NELSEN further stated at this meeting,

according to informant, that BURKE had just returned from Atlanta, Georgia to Montgomery, Alabama and that BURKE had given up hope that his appeal to the Supreme Court would be allowed and was preparing to enter the Georgia State Prison.

NELSEN further stated, according to informant, that he, NELSEN, intended to come to Georgia in August, 1950, and visit with BURKE in prison and that he intended to keep in touch with BURKE by letter until that time. Informant stated NELSEN said that in August he would quit school in Minneapolis and come to Georgia and get a place of residence and job at the nearest location to the prison wherein BURKE was to be incarcerated.

According to informant, NELSEN further advised that BURKE was much impressed by the name, Democratic Nationalist Party, and had designated NELSEN as a "faith leader" not a "politician" and had put NELSEN in contact with several persons in their late teens in Atlanta. Informant stated that NELSEN interpreted BURKE's letters to mean that NELSEN was to begin training the corps of leaders, which would be led by BURKE upon his release from jail and that, NELSEN, was staking his entire fate with BURKE, who according to NELSEN is "the closest thing to the leader yet."

Informant stated NELSEN said he was busy designing a new uniform, which will consist of black boots, grey pants, grey shirts, black Sam Brown belts and black ties and that he anticipates, because of the grey color which is for the confederacy, that the young men in the South will go "wild" when they get into uniform. NELSEN, according to informant, also stated at this meeting that he was determined to march side by side with BURKE and that, in NELSEN's opinion, all of them will probably be thrown into prison more than once.

The informant further advised that NELSEN stated he attended a meeting of the GERALD L. K. SMITH convention in St. Louis, Missouri in September, 1949, and at this meeting a great antipathy was aroused by BURKE for LOHBECK, SMITH's First Lieutenant. NELSEN, according to informant, stated that this new group plans to begin in the South and that the place to hit was the lower middle class and further advised that of course nothing would be done concerning this until he came South during the latter two weeks in August, 1950, to see BURKE in jail.

AT 105-79

Informant advised that NELSEN stated that on the night of January 22, 1950, about 10 P. M., when he arrived home, an individual by the name of [] reportedly a student from [] at the [] was waiting for him and had with him a full suitcase of Nazi leaflets, such as some copies of "Common Sense" and notations of BEN HECHT. NELSEN stated, according to informant, that [] [] stated he wished to join with NELSEN but that NELSEN had rejected him because he believed he came from the American Federation of Labor and ordered him out of the house.

b6
b7C

According to informant, NELSEN planned to make a trip to Chicago about April 1, 1950, to visit with [] and also to meet Mrs. ELIZABETH DILLING and her son.

To - - - - All Nation-Conscious Whitemen In Our United States Of America
Re - - - - Internal Communist Danger and Conspiracy
Subject - Realpolitical Theater

THE REALPOLITICAL INSTITUTE recognizes the following:

1. that the greatest threat of Communism is political and educational, and is within the continental limits of our United States of America.
2. that this internal Communist danger has, through twenty-five years of treason, successfully captured much of the Democratic and Republican political organizations and leadership (either directly or indirectly) so as to neutralize our American power and prevent us from formulating an effective policy to counter external Communism and its armed might.
3. that this internal Communist conspiracy has as its final objectives the mongrelization of our American Whitefolk and the destruction of our American Nation, which is the unique creation of our own American Whitefolk.

THE REALPOLITICAL INSTITUTE presents the following:

1. many American universities and colleges have produced confused and misguided graduates, some of whom are dedicated to the overthrow of our Republic.
2. many American universities and colleges are centers of Internationalisms, Pacifisms, and other alien doctrines devoted to the destruction of our Whiteman's way-of-life.
3. many American universities and colleges have lost contact with and have isolated themselves from the history, views, and aspirations of their Nation.

THE REALPOLITICAL INSTITUTE will sponsor a new, positive type of political action whereby the struggle against internal subversion is taken directly to our own Whitefolk, whose minds have been drugged by motion pictures, radio, television, and the infiltrated press. A former motion picture theatre will be purchased in the Chicago area and used as a community center where patriotic Whitemen can meet and discuss the crucial questions of the day. Vital political issues will be dramatically presented through programs by loyal American Nationalist leaders, speakers, and entertainers.

Rebulet dated January 17, 1955.

During the latter part of 1954 and early 1955 leaflets have been received by individuals in the Chicago area as well as elsewhere in the United States from the Realpolitical Institute, Post Office Box 1785, Chicago, Illinois. These leaflets concerning this organization are signed by M. NELSEN. According to these leaflets, the Realpolitical Institute is anti-Communist. This organization desires to purchase a theater in Chicago and use this theater as a community center. The Realpolitical Institute plans to present speakers who are "loyal American Nationalist leaders" (It is believed the word Nationalist refers to Democratic Nationalist which is mentioned later in this letter.) The purpose is to bring the "struggle against internal subversion" in this country to the people of the white race.

NELSEN voluntarily appeared at the Chicago Office on December 10, 1954, advising that he was the head of a vast anti-Communist underground movement throughout the United States and displayed a leaflet from the Realpolitical Institute. NELSEN indicated that he is responsible for the preparation and distribution of this leaflet. It is to be noted that this leaflet and other which have been forwarded to the Chicago Office regarding the Realpolitical Institute all contain substantially the same information as the photostatic copy of the leaflet which was enclosed in rebulet.

While at the Chicago Office, NELSEN indicated that the head of the Russian intelligence in the United States is an MVD agent using the name of [REDACTED] NELSEN was unable to elaborate on this statement or furnish the source of his information. NELSEN made

the statement that he believes the Communists have now adopted a program of infiltrating the "extreme right wing groups" and feels that the Communists will soon approach him. For this reason, NELSEN wanted to go on record with this office in the event he is ever approached by the Communists. In view of NELSEN's actions and statements while in the Chicago Office, it was the opinion of the interviewing agent that NELSEN is a mental case.

MAYNARD O. NELSEN resides with his wife (name not known) at 1914 West School Street, Chicago, Illinois, and is employed by C. A. Ross Company, 1315 Webster Street, Chicago, Illinois.

Prior investigation of NELSEN's activities disclosed that in May, 1947, NELSEN was the Minneapolis leader of the Democratic Nationalist Party "hate" group advocating persecution of racial minorities. NELSEN in October, 1947 appeared in Minneapolis, Minnesota dressed in a Nazi uniform and was carrying plans for a Fascist organization (not further identified) and anti-Semitic and Fascist literature. NELSEN was reported to have placed anti-Jewish and anti-Negro posters on the University of Minnesota campus. NELSEN was arrested on two occasions in Minneapolis for his Fascist type activity.

In view of NELSEN's past activity and his admitted responsibility for the preparation and distribution of the above mentioned leaflet, the Chicago Office will conduct sufficient investigation to determine the extent of NELSEN's activity and whether or not the Realpolitical Institute, as such, is actually engaged in any type of subversive or Fascist activity. The Chicago Office will surep in the near future.

of his [redacted] a resident of Chicago (not further identified) had received literature from the Realpolitical Institute.

I. ORIGIN

On April 4, 1955, [redacted] the Anti Defamation League, 343 South Dearborn Street, Chicago, Illinois, furnished the following information:

The Realpolitical Institute was started by MAYNARD ORLANDO NELSEN in about November, 1954, in Chicago, Illinois. NELSEN's purpose was to create a new political party called the Realpolitical Institute. This organization is anti-Communist, anti-Semitic, and favors the white race. NELSEN hoped to gain a following for his party on these issues.

b6
b7C

NELSEN, in February, 1955, visited with FREDERICK WEISS in New York, to promote his ideas and secure information from WEISS. According to [redacted] WEISS has in the past promoted neo-Nazi activities in the New York area. This organization has failed to get "off the ground", and does not attract interest or a following. There are no known members in the organization besides NELSEN. NELSEN's main activity in this organization has been the occasional circularizing of printed mimeographed sheets in the Chicago area. NELSEN's idea was to get this organization started by holding mass meetings in a theater. These meetings have failed to materialize. The only apparent money used to promote this organization is from NELSEN's own funds, and an occasional contribution that he may receive.

II. OFFICERS

The files of G-2, Fifth Army Headquarters, Chicago, Illinois, were reviewed on June 20, 1955, and disclosed the following information:

MAYNARD O. NELSEN, FRED KISTER, and CATHERINE (KATHRYN) EDEN, (no addresses indicated), were at the head of the Realpolitical Institute and all have records of pro-Fascist activities in the past.

CG 105-2437

Information Concerning MAYNARD ORLANDO NELSEN

T-1, an agency which collects security information in the Chicago area, furnished the following information on July 1, 1955:

[redacted] of the C. A. Ross Company, 1315 Webster Street, Chicago, Illinois, MAYNARD ORLANDO NELSEN's employer, considered NELSEN a loyal employee who is sincere and competent. [redacted] did not believe that NELSEN's activities were so bad that it would hurt him or his company. NELSEN is employed as an accountant.

[redacted] advised on February 16, 1955, that MAYNARD ORLANDO NELSEN, who is the head of the Realpolitical Institute, resides with his wife (name not known), at 1911 West School Street, Chicago, Ill.

[redacted] advised SA [redacted] in February, 1953, of the following information:

In February, 1947, MAYNARD NELSEN, former head of the defunct Democratic Nationalist Party, was released on parole by Minneapolis, Minnesota, authorities. NELSEN was active in sending "scurrilous letters attacking Jews and Negroes", who were prominent in the Minneapolis area.

b6
b7c

In October, 1947, NELSEN was arrested for writing threatening letters and at the time of NELSEN's arrest, plans for a Fascist organization (not further described) and anti-Semitic and Fascist literature from the Patriotic Research Bureau were found on his person.

According to [redacted] the Patriotic Research Bureau was organized in February, 1938, and it accumulated, compiled, and published anti-Semitic and anti-Communist propaganda.

The files of G-2, Fifth Army Headquarters, Chicago, Illinois, were reviewed on May 8, 1953, by SA [redacted] and disclosed the following information:

In May, 1947, MAYNARD O. NELSEN, age 23 years, University of Minnesota student, admitted he was the Minneapolis leader of the Democratic Nationalist Party. This party was described as a "hate" group which advocated persecution of racial minorities.

According to G-2, NELSEN formerly resided in Minneapolis and was arrested in Minnesota in April, 1947, after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947, NELSEN appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the government". These plans were not further identified. NELSEN was placed on probation following a hearing that he be placed in an institution. Judge [] when discharging NELSEN from parole, stated that NELSEN's "egocentric and inappropriate thinking has disappeared."

The files of G-2 were reviewed on June 30, 1955, and disclosed that NELSEN was a member of the "American Committee for the Advancement of Western Culture," an organization reported to have former top Nazis in its international leadership .

[] on July 3, 1953, made available to SA [] a photostatic copy of the "National Renaissance Bulletin", dated April, 1953. This bulletin, on page 1, column 1, reflected an article pertaining to the officers and purpose of the American Committee for Advancement of Western Culture. This article disclosed in part that H. KEITH THOMPSON, JR., the former registered American agent of General [] Socialistic Reich Party of Western Germany, has announced the formation of the American Committee for Advancement of Western Culture, of which he is the National Director. Many leading Nationalist figures will constitute the Board of Directors and the Advisory Council. The purpose of this committee will be to serve as a dynamic pressure group to further all political, cultural and racial causes which tend to advance the struggle of Western civilization against the onslaught of Asiatic barbarism. The committee will not be a membership organization, but will serve as a high policy planning group for the coordination for racial, nationalistic activities in America, Europe, Africa and Asia.

The October 21, 1947, edition of the "Chicago Sun", a Chicago daily newspaper, disclosed that MAYNARD NELSON, former university student, was arrested in Minneapolis, Minnesota, for wearing a uniform fashioned after the uniform of the Luftwaffe. Police found in NELSON's briefcase plans for a United States Fascist Organization. This was NELSON's second Minneapolis arrest.

A search of the 1955 Illinois Bell Telephone Directory for Chicago failed to disclose a listing for MAYNARD ORLANDO NELSEN.

CG 105-2437

Information Concerning FRED KISTER

Office of Naval Intelligence, 9th Naval District, Chicago, Illinois, furnished information to the Chicago Office in the early 1940s which disclosed that one FREDERICK KISTER, with alias Ralph Kister, was the radio editor of "Scribner's Commentator", a magazine which had been banned from the mails as a seditious publication.

This organization purports to be against all brotherhood groups and claims to follow the teachings of the Bible.

b6
b7C

On May 26, 1945, one FREDERICK KISTER, who resided at 1100 North La Salle Street, Chicago, Illinois, visited this office and advised at that time that he was a follower of GERALD L. K. SMITH.

[redacted] Anti-Defamation League, 343 South Dearborn Street, Chicago, Illinois, advised on July 21, 1955, that GERALD L. K. SMITH is the head of the Christian Nationalist Crusade. SMITH is a "rabble rouser", who has advanced and exploited for financial gain to the fullest extent his anti-Semitic and anti-United Nations campaign. SMITH has been carrying on his antics for the past ten years or more. This has been carried on by holding meetings and distributing various types of literature.

T-1, supra, advised on December 30, 1950, that a reference of NELSEN is FRED KISTER, 234 Maple Avenue, Oak Park, Illinois.

A search of the 1955 Chicago and Chicago Suburban Illinois Bell Telephone directories fails to disclose a listing for FRED KISTER.

The files of G-2, Fifth Army Headquarters, Chicago, Illinois, were reviewed by SA [] on May 8, 1953, and disclosed the following information:

Mrs. KATRINE EDEN, 469 Deming Place, Chicago, Illinois, communicated in the German language with her brother, JOSEF FISCHER, a German Prisoner of War, in July, 1945. JOSEF FISCHER was interned at Camp Perry, Ohio. This communication disclosed in part EDEN's sentiments which were as follows:

Germany is a terrible sight. This country was destroyed by the Americans, who should be ashamed of their actions. Some day these American war heroes will again be peddling shoe laces and apples from door to door as they did after World War I. The newspapers disclose accounts of German girls fraternizing with these criminals (American soldiers).

The records of the Immigration and Naturalization Service were reviewed by SE ROBERT J. MC KINLEY on June 8, 1953, and disclosed the following information:

KATHERINE FISCHER was born October 18, 1897, in Schlutter, Germany. KATHERINE FISCHER immigrated to the United States from Bremen, Germany and arrived at New York on August 19, 1925, under the name KATHARINA EHLERS. The records further disclose that KATHERINE EDEN was naturalized on April 26, 1940, and her Naturalization Certificate Number is 4757332.

CG 105-2437

III. STATED AIMS AND OBJECTIVES

Literature Distributed

On April 16, 1955, the Realpolitical Institute, Post Office Box 1785, Chicago, Illinois, mailed a mimeographed sheet to the Chicago Office. This one page mimeographed sheet set forth in part the following information:

This leaflet was from the Realpolitical Institute and was captioned "All Nation Conscious Whitemen in Our United States of America" regarding the "Internal Communist Danger and Conspiracy". This organization claimed that Communism has entered the educational system and the Democratic and Republican Parties in this country. The objective of Communism is the "mongrelization of our American Whitefolk" and destruction of this country. This organization plans a positive type action against the internal subversion in this country by forming a community center wherein various types of meetings can be held. This mimeographed sheet was signed by M. NELSEN, Manager.

On April 16, 1955, the Realpolitical Institute, Post Office Box 1785, Chicago, Illinois, mailed the following leaflet to the Chicago Office. This leaflet, which was about five and one-half inches square, was black on one side with the thunderbolt insignia in white, surrounded by a white circle. On the other side of this leaflet appears the caption, "The Thunderbolt and the Realpolitical Institute". This organization states it is a voluntary association of "Whitemen" promoting "American Folk Nationalism", and opposed to Internationalism, Pacifism, Communism, and Liberalism. This organization sponsors the Realpolitical Theater, (no address indicated) and publishes the political periodical, "Frontier".

CG 105-2437

On July 29, 1955, [redacted] Postal Inspectors Office, Chicago, Illinois, advised that Post Office Box 1785 is issued to Realpolitical Institute, MAYNARD O. NELSEN, 1914 West School Street, Chicago, Illinois.

b6
b7C

On July 13, 1955, [redacted] furnished a photostatic copy of a program of the Realpolitical Institute. This program is as follows:

1. Immediate discharge of all alien non-Whites, members of the disloyal Jewish Consensus, Internationalists, Pacifists, Communists, and Liberals from all local, State, and Federal Governments and the Armed Forces.
2. Promotion of Whitefolk integrity through the complete and officially enforced segregation of all alien non-Whites in our midst.
3. Elimination of the Nation-wide control of motion pictures, radio, television, and the press by Jewish Consensus gangsters through seizure by the Federal Government — this is necessary to end the twenty-five years of political subversion and treason by the disloyal Jewish Consensus.
4. Elimination of the Nation-wide control of the liquor industry by Jewish Consensus criminals through independent State controls of liquor production and distribution.
5. Elimination of the Nation-wide control of gambling by Jewish Consensus criminals through the establishment of independent State lotteries.
6. Elimination of lawyers from all non-judicial offices in all local, State, and Federal Governments and replaced by professional economists, businessmen, engineers, and industrial and agricultural technicians.
7. Congress alone must exercise its Constitutional right to issue debt and interest free currency, based on work performed — goods produced and services rendered.

CG 105-2437

- "8. Large-scale investment in heavy industry and power -- financed, engineered, and managed by the Federal Government. All cooperatives are to be encouraged through favorable Federal Government legislation.
9. Creation of a permanent Federal 'TVA' Authority to develop water control, soil conservation, and reforestation programs.
10. Creation of a permanent Federal Building Authority to rebuild the centers of our older cities and eliminate slum housing wherever it is found, in the rural areas as well as in the cities.
11. Build-up of each States' National Guard Units through compulsory military service for all adult Whitemen within each States' jurisdiction.
12. Building of Community Youth Centers by the Federal Government in every town and city of our Nation, and the installation of compulsory physical education programs for all Whitefolk youth.

Because the REALPOLITICAL INSTITUTE is considered a 'subversive' organization by the present-day Jewish Consensus controlled Federal Government, it is not possible to take a tax deduction for your contribution. However, your contribution will give you the personal satisfaction that you are playing an active part in this struggle for American Nationalist Freedom."

The files of G-2, Fifth Army Headquarters, Chicago, Illinois, which were reviewed on June 30, 1955, disclosed the following information:

A new organization, the Realpolitical Institute, has been formed with headquarters in Chicago. This organization has been distributing anti-Negro, anti-Semitic literature to businessmen in the Chicago area. The files of G-2 disclosed no additional literature distributed by this organization that has not been previously described and set forth in this report.

CG 105-2437

The files of the Office of Naval Intelligence, 9th Naval District, Chicago, Illinois, were reviewed on July 7, 1955, and revealed the following information:

A report dated June 13, 1955, from the Chicago Better Business Bureau, which was written to the Office of Naval Intelligence, disclosed in part that MAYNARD O. NELSON is the operator of the Realpolitical Institute and is soliciting members. NELSON is distributing literature of the organization. This literature describes the organization as a voluntary association of "Whitemen". The organization "believes in an aggressive total political action against internal Internationalism, Pacifism, Communism, and Liberalism". This organization is the sponsor of the Realpolitical Theater and the publication, "Frontier".

The files of the Office of Naval Intelligence disclosed no additional literature distributed by this organization that has not been previously described and set forth in this report.

IV. ACTIONS TAKEN TO IMPLEMENT PROGRAMS

Communication with Better Business Bureau

On April 4, 1955, [] furnished the following information:

In March, 1955, MAYNARD ORIANDO NELSEN was in communication with the Chicago Better Business Bureau. At this time, NELSEN indicated that he was a member of an anti-Communist, pro-American Nationalist underground movement in the United States of America. NELSEN in this communication furnished the following references:

- "1. Federal Bureau of Investigation
2. United States Army Intelligence
3. Central Intelligence Agency
4. Anti-Defamation League of B'nai B'rith
5. AP, UP, INS, and other news services
6. Various Police records in several cities."

Theater Project

([] on February 16, 1955, furnished the following

CG 105-2437

information concerning NELSEN's plans for the Realpolitical Institute:

NELSEN was considering the purchase of the Times Theater, 4847 Milwaukee Avenue, Chicago, Illinois, which is for sale. NELSEN estimated that \$25,000.00 would place his organization in business. Of this \$25,000.00, NELSEN planned to spend about \$15,000.00 to purchase the building and \$10,000.00 would be used for an operational fund. In this theater project, NELSEN would be the director. The organization would charge \$1.00 admission to the theater and the theater would be open about one day a week. The organization would present good speakers who would speak on Americanism. NELSEN believed that many people would pack the theater just to see the members of the Realpolitical Institute and would think of them as characters on a stage.

As a result of this action, NELSEN believed this organization would receive a great deal of negative publicity (not further described) from the Chicago newspapers. NELSEN's idea was to make Americanism nation-wide by promotion. NELSEN has tried to borrow the money for this project, without success. This organization, according to [redacted] has not participated in any parades, demonstrations or acts of violence.

On April 15, 1955, [redacted] Street, Chicago, advised that no one, to his knowledge, by the name of NELSEN or any organization by the name of Realpolitical Institute, has made inquiry to purchase or lease the Times Theater, 4847 North Milwaukee Avenue, Chicago, which he owns. NELSEN's Visit to the Chicago Office

NELSEN voluntarily appeared at the Chicago Office of the Federal Bureau of Investigation on December 10, 1954, and advised SA MAX G. MC DANIEL that he is the head of a vast, anti-Communist underground movement throughout the United States and displayed a leaflet from the Realpolitical Institute. NELSEN indicated that he is responsible for the preparation and distribution of this leaflet.

It is to be noted that this leaflet, which was exhibited by NELSEN, is similar to the literature previously described in this report.

~~CONFIDENTIAL~~

While at the Chicago Office, NELSEN indicated that the head of the Russian Intelligence in the United States is an M. V. D. Agent using the name of [REDACTED] NELSEN was unable to elaborate on this statement or furnish the source of his information.

NELSEN believed that the Communists have now adopted a program of infiltrating the "extreme right wing group", and he feels that the Communists will soon approach him. For this reason, NELSEN wanted to go on record with this office in the event that he is approached by the Communists.

Dear [Redacted]

Some weeks ago, we chatted about the recent activities of Maynard Nelsen, promoter of the Realpolitical Institute, here in Chicago. As you know, I have been away from my desk for several weeks on my vacation and found on my return that a number of firms have inquired about Nelsen because of unsolicited mailings he had sent them. It appears fairly obvious that Nelsen is currently concentrating on iron and steel firms around Chicagoland. On the chance that your office does not yet have a complete sample of one of his current mailings, I am enclosing one for your attention.

In addition, I am enclosing a copy of the "Nationalist Party Bulletin," published in New York, dated July 1, 1955. This is the output of West Hooker, former Chicagoan. You will note that Nelsen appears as one of the members of the so-called Nationalist Committee.

Kindest regards.

Sincerely yours.

Realpolitical Program

1. Immediate discharge of all alien non-Whites, members of the disloyal Jewish Consensus, Internationalists, Pacifists, Communists, and Liberals from all local, State, and Federal Governments and the Armed Forces.
2. Promotion of Whitefolk integrity through the complete and officially enforced segregation of all alien non-Whites in our midst.
3. Elimination of the Nation-wide control of motion pictures, radio, television, and the press by Jewish Consensus gangsters through seizure by the Federal Government -- this is necessary to end the twenty-five years of political subversion and treason by the disloyal Jewish Consensus.
4. Elimination of the Nation-wide control of the liquor industry by Jewish Consensus criminals through independent State controls of liquor production and distribution.
5. Elimination of the Nation-wide control of gambling by Jewish Consensus criminals through the establishment of independent State lotteries.
6. Elimination of lawyers from all non-judicial offices in all local, State, and Federal Governments and replaced by professional economists, businessmen, engineers, and industrial and agricultural technicians.
7. Congress alone must exercise its Constitutional right to issue debt and interest free currency, based on work performed -- goods produced and services rendered.
8. Large-scale investment in heavy industry and power -- financed, engineered, and managed by the Federal Government. All cooperatives are to be encouraged through favorable Federal Government legislation.
9. Creation of a permanent Federal 'TVA' Authority to develop water control, soil conservation, and reforestration programs.
10. Creation of a permanent Federal Building Authority to rebuild the centers of our older cities and eliminate slum housing wherever it is found, in the rural areas as well as in the cities.
11. Build-up of each States' National Guard Units through compulsory military service for all adult Whitemen within each States' jurisdiction.
12. Building of Community Youth Centers by the Federal Government in every town and city of our Nation, and the installation of compulsory physical education programs for all Whitefolk youth.

Because the REALPOLITICAL INSTITUTE is considered a 'subversive' organization by the present-day Jewish Consensus controlled Federal Government, it is not possible to take a tax deduction for your contribution. However, your contribution will give you the personal satisfaction that you are playing an active part in this struggle for American Nationalist Freedom.

On 6/6/56, [redacted] Manhattan Group A, Selective Service System, 346 Broadway, NYC, furnished a letter received from MATTHIAS KOEHL JR., registrant of LB 1 in NYC. [redacted] stated she wished to bring the contents of this letter to the attention of the FBI as it appeared to contain strong inferences of anti-Semitic.

The letter was written on the letter head of the Realpolitical Institute, Post Office Box 1785, Chicago 90, Illinois, and indicated a change of address for KOEHL to 469 Deming Place, Chicago, Illinois. [redacted] stated that while she never heard of this organization the contents of the letter and the symbol it contained which resembled the lightning flash emblem formerly used by the German Gestapo seemed reason enough for it to be called to the attention of the FBI at this time.

b6
b7c

NY files reflect MATTHIAS KOEHL JR., was the subject of a Selective Service Act of 1948 - Sedition case, Milwaukee origin, during 1953, as the result of a similar letter directed to the Selective Service Board in Milwaukee, Wisconsin. Prosecution was declined inasmuch as there was no evidence of willful delinquency and that subject's letter did not constitute a violation of sedition statute.

During above conversation at Mrs. EDEY's residence, it was mentioned that one PETER L. XAVIER was to have been present but was unable to attend.

NELSON stated that during the Democratic Convention week XAVIER and other Nationalists plan to burn crosses at prominent street intersections in Chicago late at night on each night of the convention.

No mention was made of any planned disturbance at the convention. However, NELSON commented that they expect hundreds of Nationalists to attend the convention as observers and these Nationalists will be of "varying shades of fanaticism" and "there was no telling what might develop." According to [REDACTED] the Nationalists are planning for a sizeable representation so as to show their strength and to gain publicity. As observers they will exert all possible pressure on delegates for a "right wing" plank.

CCO INDEX

FACTS OF COMPLAINT: Compl. appeared in the office and stated that he is the head of a vast anti-Communist underground throughout the U.S. and to explain his point, he exhibited the attached leaflet. He rambled on about how the Russians are operating in the U.S. and the head of the Russian Intelligence in the U.S. is an MVD agent going under the name of [redacted]. He stated that the communists have now adopted a program of infiltrating the extreme right wing groups and he feels that they will approach him soon. For this reason, he wanted to be on record in the event the Communists should approach him, that he has let the FBI know about this.

Compl. appears to be quite proud of himself as a "shrewd operator". Obviously, he is a mental case.

Indices reflect that there are numerous references on compl. in 105-1384 which indicates that during 1947 he was the instigator of a group known as the "DEMOCRATIC NATIONALIST PARTY", representing Anti-Semitism, and Anti-Negroes, in Minneapolis, Minn. The file further reflects that he was arrested by the Minn. police for disturbing the peace in this regard, and that as a result of this he was given psychiatric tests where it was determined that he was mentally unbalanced.

Dear Sir:

We want your support of our group because you are a member of the Whiteman's Managerial Elite which has been made politically ineffective by the disloyal Jewish Consensus. You as a manager have produced the technological advances upon which our civilization is based, but a conspiracy has prevented you from fulfilling your political destiny as a Whiteman.

We have the answer to the Communist Manifesto. We work for an "implosion" . . . the internal release of the dynamic political energies of our own Whitefolk. We have our own revolutionary idea . . . the Whiteman's Managerial Revolution.

This is a personal opportunity for you to do something—will you give us your anonymous support? We shall be happy to meet you personally, here in Chicago, if you so desire. Write us today—the safety of your family and your future and perhaps your very life are at stake.

The REALPOLITICAL INSTITUTE, a research and policy formulation group of the Democratic Nationalist Party, presents a program of Democratic Nationalism . . .

1. Immediate protection of the local customs, traditions, and civil liberties of the Southern states, in accordance with established and accepted patterns of racial segregation.
2. Immediate adoption of Federal segregation legislation to reduce racial tension and prevent recurrent race riots in the Northern, Eastern, and Western states—practical, far-sighted measures must be taken to restore the racial self-respect and harmony which form the basis of genuine national welfare.
3. Immediate re-establishment of segregation in the U. S. Armed Forces, to restore the troop morale and combat efficiency so vital in the face of world-wide Communist aggression.
4. Creation of a National Repatriation Commission to encourage the voluntary emigration and resettlement of non-assimilable Whites and non-Whites through financial and economic assistance.

The REALPOLITICAL INSTITUTE represents 130 million White American Citizens prevented from any effective choice of candidates by the disloyal Jewish Consensus.*

WHITEMAN AWAKE—THE HOUR IS LATE!

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation and the assimilation of those individuals capable and worthy of forming a part of us.

[redacted] the following information:

The Realpolitical Institute was started by MAYNARD
ORLANDO NELSEN in about November, 1954 in Chicago, Illinois.
NELSEN's purpose was to create a new political party called
the Realpolitical Institute. This organization is anti-
Communist, anti-Semitic, and favors the white race. NELSEN
hoped to gain a following for his party on these issues.

This organization has failed to get "off the
ground", and does not attract interest or a following. NELSEN's
main activity in this organization has been the occasional
circularizing of printed, mimeographed sheets. The only
apparent money used to promote this organization is from
NELSEN's own funds and an occasional contribution that he
may receive.

This letter states that the Realpolitical Institute represents 130 million White American Citizens prevented from any effective choice of candidates by a disloyal Jewish Consensus.

5. Four page circular entitled, "Frontier - Advancing Democratic Nationalism."

Excerpts from this circular are as follows:

The Realpolitical Institute does not propose to leave the vital interests of "Whitefolk" to the whim of chance and the will of subversive elements. It proposes rather to mobilize the Whitefolk in revolutionary unity for total political struggle.

Only members of "our Whitefolk" may be citizens. Only citizens may vote or be employed in public office, engaged in jurisprudence, bear arms, or be engaged in activities of entertainment and educational and cultural expression.

It is demanded that the formal incorporation of Canada, Alaska, Greenland and the adjacent North Polar regions be made.

To realize all of the foregoing essentials, it is demanded that a strong government be created armed by "our Folk" with the power to act in effecting its united will.

6. A picture history of the United States which depicts the character of Uncle Sam pushing an Indian off of a cliff, a picture of a bearded man pushing Uncle Sam off of the cliff, and a picture of the bearded man standing on the cliff holding three flags, one bearing the hammer and sickle, one bearing a Jewish symbol, and one bearing a design resembling an olive branch.
7. A throw-away entitled "Who Cares" copyrighted 1956 by Polzin Publishers, Post Office Box 85, Parkesburg, Pa. This throw-away is an attack on anti-white people which includes "dues."
8. Envelope postmarked 3/8/47 addressed to [redacted] Union Trust Building, Pittsburgh 18, Pa., and which

[REDACTED] Chicago, Illinois, (protect identity) during the period from February 5, 1953 to May, 1953, has been advising the Chicago office of individuals who may be associated with the alleged Neo-Nazi Movement in the United States. Among those mentioned is MAYNARD ORLANDO NELSON.

The informant furnished the following information concerning NELSON:

CG 105-2437

"In February, 1947, MAYNARD NELSON, former head of the now defunct Democratic Nationalist Party, was released on parole by the Minneapolis authorities and was active again in sending 'scurrilous letters attacking Jews and Negroes' who are prominent in the Minneapolis area.

"The informant continued that during the same period in 1947 an individual believed to be NELSON was overheard in the Cicero, Illinois, barroom while he was attempting to hire gunmen to kill a reporter from the 'Minneapolis Morning Tribune', who at one time was an attorney in the Minneapolis area.

"The informant further advised that the 'St. Paul Dispatch' and the 'Minneapolis Star' newspapers both on April 24, 1927, contained a photograph of NELSON. The informant continued that these newspapers carried an article that NELSON confessed to placing hundreds of 'anti-Jews and anti-Negro' posters on the University of Minnesota campus.

"The informant continued that in June, 1947, NELSON ordered from a tailor shop a 'storm trooper's uniform', which, according to the informant, was made to specifications given in the official German Army Manual, which was published in Germany in 1938. The informant further stated that this uniform is presently in the possession of one [redacted] Atlanta, Georgia.

b6

"Informant also stated that in October, 1947, NELSON was arrested in Minneapolis for writing threatening letters and at the time of his arrest, he was wearing a German uniform. The informant further stated that at the time of NELSON's arrest, plans for a Fascist organization and anti-Semitic and Fascist literature from the Patriotic Research Bureau was found on his person.

A carbon copy of a report of CIC, made by [redacted] dated July 2, 1956 and entitled "Alleged U. S. Army Recruiting Service Poster" reflected that [redacted] on June 21, 1956, contacted [redacted] Street, Suite 1810, Chicago 4, Illinois, furnished a photostatic copy of a letter written by EUSTACE MULLINS, 126 Madison Place, Staunton, Virginia.

MULLINS resided with MAYNARD O. NELSON, 1914 West School Street, Chicago, Post Office Box 1785, Chicago, who [redacted] states has been contacted by the Federal Bureau of Investigation on occasion.

105-1384-3

[redacted] on March 11, 1953 furnished an unknown agent, a letter to [redacted] Los Angeles Anti-Defamation League, from [redacted] dated February 5, 1953 pertaining to MAYNARD NELSEN and ELIZABETH DILLING STOKES.

This letter reflected in part as follows:

"On January 16, you advised that you were reliably informed that JAMES RAYMOND WHITE and FRANK BIRTON had engaged in correspondence with a M. NELSON at 443 Deming Place and someone at 701 Gordon Terrace, Chicago. I sent you a response on January 19, indicating that I strongly suspected that these were MAYNARD NELSEN and ELIZABETH DILLING.

"We have also learned that MAYNARD NELSEN is in fact living on Deming Place. As I advised previously, NELSEN is the character who gained a great deal of notoriety four or five years ago in Minnesota when he did a lot of flamboyant things, promoting his Nazi point of view. He dropped out of sight and it would

CG 105-2437

now appear that we are 'blessed' with him here. At this state, we know the following:

"NELSEN came to Chicago some time last Spring and took up residence at a rooming house at 443 Deming Place. He is single, has an automobile, never seemed to have any visitors at the rooming house and has no current record with the Chicago Police Department. It appears that he has a job in the Credit Department of the Chicago Herald-American. About a week ago he moved from the 443 address to another rooming house which we believe is located at 469 W. Deming Place.

"Because of NELSEN's excessive background, we will continue our efforts to learn more about what he is doing in Chicago in his spare time. In addition, because of his background, and the likelihood that he is in touch with people like WHITE, yesterday alerted the FBI office to his presence in Chicago. Because his past endeavors were along the same lines now being followed by WHITE, it is rather important for all of us to try to keep abreast of what these characters are doing."

On October 23, 1959, an anonymous source, close to MATTHIAS KOEHL, Jr., 4504 North Racine Avenue, Chicago, Illinois, provided photographs of documents which were currently in KOEHL's possession.

In the July, 1959, issue of the "Thunderbolt", self-described as the "official racial national organ of the National States' Rights Party", MATTHIAS KOEHL was listed as the national organizer of the National States' Rights Party (NSRP).

The photographs furnished by this anonymous source are maintained in Chicago file 105-35271B1. This source furnished photostatic copies of two documents in possession of MATTHIAS KOEHL which are entitled, "Prospectus on the Creation of a Realpolitical Institute Publication" and "Prospectus on the Organization of the American Registry". These documents apparently relate to each other as is indicated in the content.

These documents read as follows:

With regard to the above mentioned document, it is noted that certain handwritten notations and deletions appear on this typewritten prospectus, and for the purpose of clarity the handwritten notations have been inserted as they appear on the document.

With regard to the proposed name of the publications as is listed under item 1 "Editorial Organization" the proposed name "FRONTIER" is suggested.

It should be noted that on October 30, 1959, the Springfield Division forwarded to Chicago, by routing slip, a four page publication captioned "FRONTIER" with the byline Advancing Democratic Nationalism and listed as publisher the Institute for Biopolitics, PO Box 1785, Chicago 90, Illinois. This publication contained a masthead symbol of an encircled thunderbolt. This symbol is mentioned in the above prospectus under item 3 of the sub-caption "B. Editorial orientation."

This publication was furnished to the Springfield Office of the FBI by [redacted] Special Agent, 113th Detachment, CIC, Champaign, Illinois, who had received the publication from Colonel CLAUDE WORTHY, AROTC, University of Illinois, Urbana, Illinois, who had received it from Major DANIEL L. CRUMPACKER, AROTC, Navy Pier, Chicago. CRUMPACKER had reportedly received the publication in the mail at Chicago.

In view of the above information, it is believed that the organization formerly known as the Real Political Institute is currently operating under the title of Institute for Biopolitics and is currently publishing the "FRONTIER".

EXPLOSION : 1900-1950

IMPLOSION : 1950-2000

From the successful conclusion of the Spanish-American War at the turn of the century to the Korean War of 1950, the Whitefolk of the United States of America was concerned with its outward (explosive) expansion. This period included World War I and World War II. This fifty-year period was concerned with psychic-genetic expansion, rather than the superficial reporting by incompetent historians of the dream bubbles of 'freedom', 'democracy', and 'progress'. Beginning with the Korean War of 1950, a fundamental change occurred within the psychic-genetic essence of the American Whitefolk ... a concern for its inward problems, dangers, and tensions based on the very survival of the organism itself. This resulted in an 'implosion' ... inward-feeling and inward-looking. The American Whitefolk became less concerned with 'over there' and more concerned with 'here and now'. Since 1950, the internal racial problems have been paramount to all other problems facing the Whitefolk mass.

From 1950 to 2000, Four Phases of Development will describe the phenomena of this psychic-genetic IMPLOSION.

Phase One has already occurred ... the emergence of the so-called 'radical right', masquerading as conservatism, from 1950 to 1960.

Phase Two, the period we are in today, is concerned with the political mobilization of the Whitefolk mass, by the 'radical

right', into one, racially unified, political party; from 1960 to 1970.

Phase Three, from 1970 to 1980, will be concerned with the technical problems of the actual physical extermination of all non-Whites, and the consequent ethical and moral problems involved with this program.

Phase Four, from 1980 to 2000, will be characterized by the application of euthanasia to the biological defectives and selective breeding for specific utility within the Whitefolk mass itself.

All this will occur behind the masks of 'fighting Communism', 'internal security', 'survival', etc.

The outside world will be unable to understand what is happening within the United States of America, just as they, one and all, have not been able to understand the behavior patterns of the previous fifty years. And what the outside world thinks or does will be of no concern to the Whitefolk of America, who will go busily and efficiently about their self-appointed tasks, operating within the framework of this IMPLOSION.

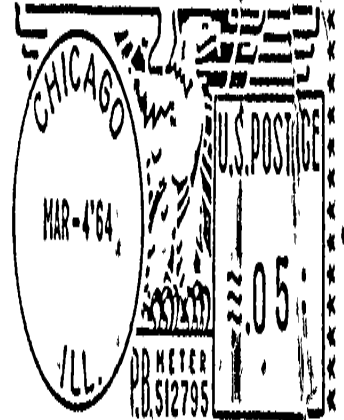

World History to the year 2000 will be American History!
A barbarian, scientific, genetically-sound, civilization will be the result, unique in all recorded history, beyond Greek Culture and Roman Civilization!

For information of the Chicago office, Major General [redacted] Marine Corps Recruit Depot (MCRD), Parris Island, S. C., received a black booklet with a lightning bolt on the front cover during the latter part of July, 1967. The booklet is apparently published by the Sam Adams Committee of Public Safety of the Democratic Nationalists Party. The address given for the Democratic Nationalists Party, Sam Adams Committee of Public Safety, is % N. NELSON, Secretary, P.O. Box 1785, Chicago 90, Illinois.

According to the booklet, "The Sam Adams Committee of Public Safety has been founded to re-assert the political functioning of the white folk majority within our United States of America."

A review of the booklet indicates that it is similar to that propaganda published by the Nazi Party.

Knowledge of Weapons, Explosives
and Related Matters

On March 1, 1960, the following source, a business and personal associate of NELSEN, advised that NELSEN has often expressed himself to be a racist to the point of being psychotic. Source explained that when NELSEN "takes off" on his anti-Jewish and anti-Negro tirades, he becomes pale, white, highly excitable, nervous, shakes and shows evidence of uncontrollable facial contortions. Further, source advised he has seen a loaded .357 magnum revolver and a 5" dagger in NELSEN's possession and learned from conversation with NELSEN that he carries these weapons in his briefcase and has the briefcase with him at all times.

(CG T-2, 3/1/60)

The January 6, 1948, edition of the "Minneapolis Star", a daily newspaper of general circulation, carried an article entitled, "'Hate' Leader Described 'Dangerous'". According to the article two Veteran's Administration Hospital psychiatrists said NELSEN is suffering from a paranoic condition, is hostile, suspicious and has delusions of persecution by minority groups although he has above average intelligence. He was described by one of the psychiatrists as "potentially dangerous".

The following source, who had considerable contact with NELSEN during 1961, has advised that MAX NELSEN was attempting to recruit individuals into an organization referred to as the Institute of Bio-Politics, also frequently referred to as the National States Rights Party, (NSRP), and NELSEN spoke of the two organizations interchangeably. NELSEN has mentioned a

"Security Unit" and a "police force" in his organization and has stated he and his associates have recruited some ex-members of the American Nazi Party (ANP), to form the nucleus of a security guard. NELSEN indicated he was currently looking for a place in which to hold a school where individuals on his "police force" would be able to receive training in the use of small arms, bombing and the inciting of race riots looking toward the day when the "organization" takes over. Source considers NELSEN to be a psychopath in that as NELSEN puts it, "When the day comes there will be mass murder and the shooting down of people in front of places like Roosevelt University." According to source, NELSEN lives in the past, believing that the best era was the 1920's when organized crime was dominant. NELSEN has mentioned his awareness of "plastico" a dough explosive used in demolition work and also his awareness of other means of causing delayed explosions such as uncorking a bottle of liquid carbide in a closed room with a lighted candle to explode the carbide when sufficient fumes have reached it. NELSEN has commented on the bombing of synagogues in the past stating that his organization is not interested in bombing empty buildings and if they bomb one it will be filled with people.

Passport Records and Travel Information

On April 6, 1966, SA [] U.S. Department of State, Federal Building, Chicago, Illinois, advised that on that date Mr. MAYNARD O. NELSEN, 114 Morgan Lane, Hoffman Estates, personally appeared in the U.S. Department of State Office and declared he wished to register as an agent of a foreign power; namely, East Germany.

b6
b7C

NELSEN stated he was forming a new group called the Leipzig Trade Fair Inc., of North America. NELSEN stated that he would be an officer of this group, together with several associates of his in Chicago.

Additionally, NELSEN stated that he was a Nazi and if Nazi Germany existed today, he would be there. However, since no Nazi Germany exists, we are stuck with him.

NELSEN added that he doesn't want his writing activities curtailed and requested to know from complainant that if he (NELSEN) does register as an agent of a foreign government, will this curtail his writing activities. Complainant in reference to this request, sent the subject to the U.S. Department of Commerce, Room 1485, Federal Building, Chicago.

The files of the Passport Office, U.S. Department of State, (USDS), were reviewed on June 17, 1966. These files disclosed that Passport Number B-536076 was issued to MAYNARD ORLANDO NELSEN on September 25, 1961. This passport was not valid for travel to Albania, Cuba, and those portions of China, Korea and Vietnam under communist control.

The application dated September 19, 1961, for this passport listed NELSEN's date of birth as January 1, 1924, at Minneapolis, Minnesota. His permanent address was 114 Morgan Lane, Hoffman Estates, Roselle, Illinois. His parents were listed as NELS NELSEN and INGA DJUVIK both born in Norway. He was married to [redacted] on November 14, 1953; his wife was born on [redacted] at [redacted] Regenstauf, Germany.

b6
b7c

According to this application the subject planned to leave New York City in November, 1961, for an indefinite stay abroad. He planned to visit Portugal, Spain, Europe, Africa and Argentina. In the space on the application to note the "purpose of trip," he set out the following:

"The business of the Institute for Biopolitics,
P.O. Box 1785, Chicago, Illinois."

This passport was renewed on or about September 24, 1964, at Chicago, Illinois, for proposed travel to Germany, for the purpose of business. In his renewal application he stated that he intended to depart from Chicago, Illinois, in January, 1965. This application contained no additional pertinent information.

It is to be noted that a passport when issued is valid for a period of three years and renewable for two additional years. Therefore, Nelsen's passport issued in 1961, renewed in September, 1964, is currently valid.

as: Nelsen is described on the above application

Source stated that concerning the plans of MAX NELSEN to set up a foreign organization and his anticipated plan to travel never materialized and was not followed through by NELSEN. Source indicated to his knowledge NELSEN has had no foreign travel in connection with the above.

Interviews of MAYNARD ORLANDO NELSEN

On January 13, 1961, MAYNARD ORLANDO NELSEN was interviewed by Agents of the FBI and advised in part as follows:

NELSON stated he was a specialist in Jewish problems and was the manager of M&N Associates, Post Office Box 1785, Chicago 90, Illinois, adding that EUSTACE MULLINS was the director of M&N Associates. He stated that M&N Associates published in November, 1958, "The Atlanta Report", which set forth the views of MULLINS and himself and disproved the "frame-up" of the four or five boys arrested in connection with the bombing of the temple in Atlanta, Georgia. He added that all of these boys were members of the Nationalist States Rights Party (NSRP) of which he also is a member.

Concerning the NSRP, NELSEN stated this Party consisted of individuals whom he described as a "hybrid type of Nazis". He stated the work of the NSRP was almost over and as to show how this was true, commented on the fact that the NSRP was responsible for President Elect KENNEDY getting less than 50% of the total popular votes in the recent national election. He stated the NSRP is the third largest political party in the United States and polled over 200,000 votes in the nine states in which the NSRP and its affiliates were on the ballot. In some states he stated this Party was listed as the States Rights Party, however, the NSRP assisted them with both literature and propaganda. The purpose was to create a "theoretical basis of a racist nationalist state".

NELSEN commented in regard to the bombings of the Jewish temples no "non-Jew" was ever convicted of

CG 105-5587

such a bombing and "no Jew" was ever injured in any of these bombings, reiterating that these bombings were a "fund raising gimmick"; that since the Jewish race in the United States was not persecuted from without, it was persecuted from within, that is self-created persecution in order to keep its members in line, create sympathy for the Jewish religion and raise funds.

Pertaining to the NSRP, NELSEN stated there is no rigid organization; that it is an informal organization, and holds conventions when the need arises, at which conventions officers are elected and that conventions are held approximately twice a year. He stated the last NSRP convention was held in Chattanooga, Tennessee, a week after the last national election and although he was not present, he was represented at this convention. He declined to state where the NSRP funds come from, stating this was "top secret".

NELSEN stated that the feeling of the NSRP concerning the Jewish people was that they are not a religion but were a race. He stated that those of the Jewish race were not included as Caucasians and were parasites. He stated the Jewish people on the beaches at Tel Aviv were being financed by the Jewish people in Chicago.

He stated the Jewish people raise money by such things as the Atlanta bombing, adding that the rabbi in Atlanta, Georgia, had to publicly ask the people to stop sending money as they had raised in excess of \$200,000 after the bombing.

NELSEN likened the NSRP to the Black Dragon Society in Japan and stated that he felt the NSRP would gain national recognition in the United States within the next ten years. He described NSRP members as "native American racial nationalists".

CG 105-5587

EUSTACE MULLINS, mentioned above, is described hereinafter.

On May 5, 1965, NELSEN was also interviewed by Agents of the FBI and at this occasion advised in part that he, NELSEN, was the only manager of the Sam Adams Committee of Public Safety, M. NELSON, P.O. Box 1785, Chicago, Illinois. He is the sole subscriber to P.O. Box 1785 and has been for several years. This interview was prompted by the receipt by the then Attorney General NICHOLAS KATZENBACK of a copy of a pamphlet of the Sam Adams Committee of Public Safety.

He also stated he wrote the pamphlet "Build a White America" and had about 1,000 copies printed, most of which he inserted in envelopes he personally addressed by hand and mailed. He estimated about 750 pamphlets were distributed in the United States and the remainder abroad, mostly in Germany. He has no listing of the persons or organizations to whom he mailed the pamphlet. On numerous occasions, he would read in newspapers and magazines about an individual or organization and would mail a copy of the pamphlet to that individual or organization.

He described himself as an intellectual Nazi genius with an intelligence quotient of 155 inasmuch as he has two college degrees. He claimed to be one of the few true Nazis in the United States, noting that his wife's grandfather was one of the original members of the Nazi party in Germany.

Of the pamphlets he mailed to Germany, most of them were sent to friends who were former members of the SS. Among his good friends in the United States is GEORGE LINCOLN ROCKWELL, head of the American Nazi Party.

He also described himself as a Nazi theoretician who has been working for more than twenty years promulgating Nazi principles.

He wrote the pamphlet as an expression of his viewpoints about human relations. He distributed the

pamphlets to those he considered as his friends for their information and to those he considered as his enemies so they would be warned of his intellectual ability. He is the type of individual who, if he sees a fire in the mind of his enemies, will throw intellectual gasoline on the fire to promulgate his viewpoint.

NELSEN said he is not a man of physical violence and has never been arrested for any reason. The Central Intelligence Agency, the FBI, the Postal Inspectors and numerous other Federal agencies have extensive records concerning his activities over the past twenty years, and a review of these records will show he is a man of intellectual violence as opposed to physical violence. NELSEN said he hoped he would be arrested by Federal authorities so he would benefit from the publicity.

II. AFFILIATION WITH HATE
ORGANIZATIONS

National States Rights Party (NSRP)

A characterization of the NSRP will be found in the appendix section of this report.

A source advised on May 10 and 11, 1960, that he had received information that MAYNARD NELSEN intended to participate in activity of the NSRP in Birmingham, Alabama, in June, 1960. NELSEN did not mention the specific activity but indicated it would be "the first major demonstration."

(CG T-4, 5/10-11/60)

Source advised that NELSEN had indicated to him recently that NELSEN was continuing plans for a demonstration in Birmingham, Alabama, in June, 1960, of the NSRP and that certain literature had been mailed out to persons in Birmingham, Alabama.

(CG T-4, 5/23/60)

Issue number #27, dated March, 1961, of "The Thunderbolt", official organ of the NSRP contained information concerning the speaking tour of Dr. EDWARD FIELDS, National Director of the NSRP. The bulletin indicates in part "March 29 - Chicago, Illinois, all from the area, including Milwaukee and Detroit are urged to attend this conference contact MAX NELSEN, P.O. Box 1785, Chicago 90, Illinois."

In April, 1961, MAX NELSEN contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the National States Rights Party, which is headquartered in Birmingham, Alabama. NELSEN added that he handles functional propaganda for the Party. NELSEN stated that he wrote the NSRP program and added that the Party dealt only with legal politics. He stated his main activity with the NSRP is to attack Communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as governor of the State of Illinois ten years from now under the NSRP political banner.

MAX NELSEN attended a meeting held at the Atlantic Hotel, 316 South Clark Street, Chicago, Illinois, on April 3, 1961. This was a meeting to hear Dr. EDWARD R. FIELDS, Head of the NSRP, and NELSEN, according to source, appeared to be closely associated with FIELDS and gave the appearance of being in charge of the operation as far as details in Chicago were concerned. About 35 people were present including persons recognized as being affiliated with the Fighting American Nationalists, (FAN), and the ANP..

(CG T-5, 4/3/61)

Characterizations of the FAN and the ANP are to be found in the appendix section of this report.

On May 15, 1961, MAYNARD NELSEN telephonically contacted the Chicago Office of the FBI on a matter and then identified himself as the Illinois representative of the NSRP.

MAYNARD O. NELSEN attended a meeting of the NSRP of Illinois on August 19, 1961, at the LaSalle Hotel, Chicago. A co-sponsoring organization was FAN. Approximately 40 persons were in attendance. NELSEN was the main security guard and questioned everyone before he would allow them to enter. NELSEN called the meeting to order and gave a short, undirected talk on the purpose of the NSRP and its political ideology. All speakers were anti-Semitic and the general gist of the talk was that the Jews had taken over America.

(CG T-6, 8/23/61)

On June 8, 1962, [REDACTED] then of the Anti-Defamation League, B'nai B'rith, Chicago, Illinois, advised that he had determined from the current issue of "The Thunderbolt", a publication of the NSRP, that on Saturday, June 16, 1962, a meeting of the Illinois NSRP would be held at the LaSalle Hotel, LaSalle and Madison Streets, Chicago, Illinois. The meeting would commence at 8:30 p.m. in parlor F mezzanine at that hotel and an admission charge of \$1 would be made plus presentation of membership card. The announcement noted that personal guests would be welcomed. The host for this meeting was identified as MAX NELSEN Chairman of the Illinois NSRP.

b6
b7C

On June 8, 1962, [redacted] [redacted] LaSalle Hotel, confirmed information contained in above mentioned announcement. Records of [redacted] office show that reservation for the meeting, which was identified as the Institute for Biopolitics, was made on April 19, by MAX NELSEN in the name of PAUL ANDERSON. Reference telephone number was given as HA 7-0208. Reservation was requested for approximately 70 persons. These records show that the reservation was made for 7:30 p.m. on June 16, 1962.

The following source advised that on June 16, 1962, MAYNARD O. NELSEN, who introduced himself as the Illinois Chairman for the NSRP, presided over a meeting on this date at the LaSalle Hotel, Chicago, Illinois. The meeting, jointly sponsored by the NSRP and the Institute for Biopolitics, was private and only those persons examined by a security guard were admitted. Source stated that the meeting was attended by a majority of the hard core members of the ANP who were there to protect their leader, GEORGE LINCOLN ROCKWELL, head of the ANP, who appeared as a surprise guest of Mr. NELSEN. NELSEN in a speech explained that the Institute for Biopolitics was a worldwide organization to promote national racism. The institute proposed to expose Communism as being Jewish and to stop the Jewish plan to mongrelize the families of nations into a mulatto human race that would be controlled by them.

(CG T-6, 6/19/62)

III. MISCELLANEOUS

Affiliation of MAX NELSEN with:

The Realpolitical Institute

M&N Associates

Institute for Biopolitics

Democratic Nationalist Party

The Sam Adams Committee of Public Safety

Concerning the above groups the following source has advised that numerous agencies and individuals have in the past received various anti-Negro and anti-Semitic literature from a source familiar to authorities for the past decade. Material sent through the mails to the various agencies indicates that racist MAYNARD O. NELSEN has put a new name on his old literature for this latest in a long series of sporadic "educational campaigns" for a society of "Whitefolk". The latest name adopted by NELSEN is "The Sam Adams Committee

of Public Safety", (SACPS), which he dedicates to retired Major General EDWIN A. WALKER.

The SACPS material is filled with the expressions which have become recognized as characteristic of the extreme right-racist coalition: "Commissar Eisenhower", "Commissar Kennedy", "Jewish Communism", "captive White citizens." In its twenty eight point policy statement it advocates such social objectives as limitation of citizenship and civil rights to "our Whitefolk", enforced segregation, elimination of racial intermarriage, racial restrictions on immigration, etc. Its economic policy resembles a Nazi system more closely than any other, with strong federal controls over such things as prices and purchasing power of consumers, and issuance of a "debt-and interest-free currency." Also demanded is "development of proper recreational facilities for the Whiteyouth of the Nation", and complete reorganization of the educational system. Its foreign policy includes the formal incorporation of Canada, Greenland, and the adjacent North Polar regions into the United States. The White Superiority myth is stressed throughout.

MAYNARD ORLANDO NELSEN, also known as MAX NELSEN, has been active in the racist movement for at least seventeen years, having been found active in February, 1947, in sending scurrilous letters attacking Jews and Negroes who were prominent in the Minneapolis, Minnesota, area. At that time he was released on parole by Minneapolis authorities. In May, 1947, while a 23 year old University of Minnesota student, he admitted he was the Minneapolis leader of the Democratic Nationalist Party, a "hate group" which advocated persecution of racial minorities. In October, 1947, he appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the government." In a hearing designed to place him in an institution, he was placed on probation. The judge, discharging NELSEN from parole, stated that NELSEN's

CG 105-5587

"egocentric and inappropriate thinking has disappeared."
At the time of his arrest NELSEN had material from the Patriotic Research Bureau, an organization formed in February, 1938, which published anti-Semitic and anti-Communist propaganda.. In 1955 NELSEN was a member of the "American Committee for the Advancement of Western Culture," a racist organization with former top German Nazis in its international leadership.

In about November, 1954, NELSEN started the Realpolitical Institute, intending to create a new political party which would gain a following on the basis of anti-Communism, anti-Semitism, and White supremacy. This "Institute" utilized P.O. Box 1785, Chicago, which NELSEN still uses as a return address.

It was revealed in November, 1958, that NELSEN and an associate had established the M&N Associates, P.O. Box 1785, Chicago, a mere "paper organization", and in 1960 literature from the Institute for Biopolitics began to appear, bearing the same P.O. Box number. The Institute for Biopolitics was described by a source as being reactivated in the Chicago, Illinois area", and was reportedly composed of a fifty member "governing body". Actual membership was alleged to consist of a "great many more members." The organization has been described as anti-Semitic and anti-Negro. Literature bearing its name has been received at military installations as recently as October, 1963.

The Institute for Biopolitics was reported to have a "Smith and Wesson" committee, responsible for collection of firearms and apparently including persons who would eventually be assigned to use such weapons. It was understood that the Institute maintained a

CG 105-5587

list of "certain politicians" marked for simultaneous death.

Source stated that certain aspects of NELSEN's activities have been somewhat ridiculous, though not to be taken lightly. Members of his Institute for Biopolitics were alleged to have stated in regard to a Jewish temple bombing in 1958, that, had they performed the bombing, the temple would have been full of Jews when the explosion occurred. An associate was reported to maintain a cake of soap on a silver tray in his living room which, according to him, was all that remained of several Jews from Germany. NELSEN was reported in 1960 to have erected a sacrificial altar in his backyard, on which, some day, a blood sacrifice of a Jew would be made. Such activities, though bordering on the pathological, were spoken of in complete seriousness. A source acquainted with NELSEN and his associates stated that he could regard them only as completely dangerous and "the most dedicated men" he has ever known.

In April, 1963, [] mentioned above, advised that as of November, 1958. EUSTACE MULLINS, a well-known racist in the Chicago area, and MAYNARD NELSEN established the M&N Associates P.O. Box 1785, as a "paper organization" to distribute anti-Semitic and anti-Negro literature.

The following source advised that MAYNARD NELSEN has recently stated that the Institute for Biopolitics is the unofficial theoretical and policy making group of the NSRP. MAX NELSEN is described as the manager of the institute.

(CG T-6, 5/15/61)

CG 105-5587

The Institute for Biopolitics is from all appearances, a one-man organization formed by MAX NELSEN to provide him with a platform from which he can publicly express his views.

(CG T-5, 10/28/63)

On August 22, 1967, and November 29, 1967, the following source advised that the Democratic Nationalist Party, the Sam Adams Committee for Public Safety is the name used on literature sent out by MAX NELSEN to promote NELSEN's personal beliefs. NELSEN is the only individual known to be connected with this organization and usually the publication is sent out only under the Sam Adams Committee for Public Safety caption. NELSEN has been sending this material out for a number of years under this or other organizational titles made up by NELSEN.

(CG T-1, 8/22/67, 11/29/67)

On July 16, 1963, the following source advised that P.O. Box 1785 checked out in 1963 to MAYNARD O. NELSEN and the Realpolitical Institute, N&M Associates, Institute for Biopolitics and NSRP.

Dear 'Bobby-O':

Well, now that the shooting is over I want to convey my very personal condolences to you and your entire anti-White, Jew-worshipping, nigger-loving family.

Really, we of the 'radical right' lost the best-possible whipping-boy, when your brother was shot by one of your own Marxist types, a real Trotsky nut.

I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky.

This book is a fitting monument to your phony brother ...

the assassination makes for a rather bizarre ending to the entire farce. Imagine, the illiterate son of a multi-millionaire becoming President of the United States! This is too much!

As the son of a poor, White, factory worker and CIO organizer,

who never stole a penny, I personally enjoy the misfortunes of the rich. I enjoyed the death of Rockefeller's son in New Guinea (I was there during World War II), and I also enjoyed the Dallas shooting ... it is good to see the rich suffer and die just as the poor ... this is 'real brotherhood'!

I look forward to reading the front pages of the local newspapers re: that Jimmy Hoffa has personally beaten you to within an inch of your life.

The following was provided by Major WILLIAM T. RICHARDSON, U.S. Armed Services Entrance and Examination Station, 615 West Van Buren, Chicago, during November, 1967:

SAM ADAMS -- Patriot

This organization is named for Samuel Adams (1722-1803), American revolutionary patriot and statesman.

Various Committees of Public Safety functioned as executive bodies in the colonies before and during the Revolutionary War. The decision of the Committee of Public Safety, established by the second Provincial Congress of Massachusetts in February, 1775, to occupy Charlestown and Dorchester Heights, led to the Battle of Bunker Hill.

Sam Adams decisively influenced every important aspect of the pre-revolutionary struggle against Great Britain.

In the realm of practical politics, he promoted the formation of the Boston chapter of the Sons of Liberty.

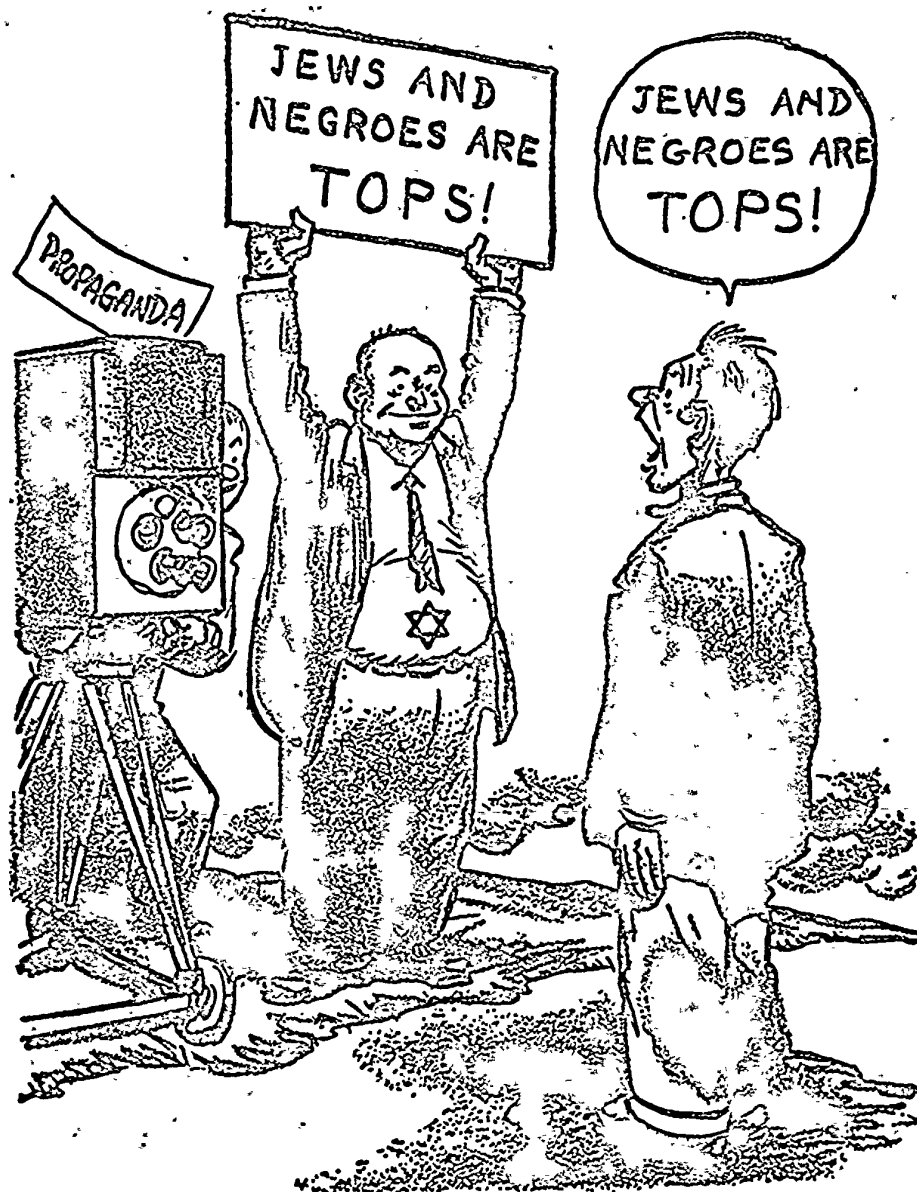

He gained a reputation as a literary agitator and revolutionary ideologist.

The first pitched battle of the Revolution occurred when British troops, en route to Lexington to arrest Sam Adams, met the armed resistance of the local patriots.

The historian, John Hyde Preston, in his book entitled REVOLUTION 1776 has this to say of Sam Adams: "Samuel Adams has a much clearer claim than George Washington to the title of Father of His Country. Adams was the father, Washington the nurse. Adams conceived the infant, and Washington saved its life."

Preston goes on to say: "Samuel Adams was born with a rebel's soul; he had a genius for rebellion."

Modern "Thinking"

THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the White man, but for the degradation of all races to a sub-human, animalistic level.

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women ... to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a gadge of honor.

These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards above and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

WHITEMAN AWAKE!

THE HOUR IS LATE!

THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord
Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

Communism
and
Race - Mixing

THE WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

THOSE WHO ARE NOT WITH US ARE AGAINST US!

RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

Delineation of the Nation:

1. We demand the union of all White folk of the North American Continent into a common Folk Community.
2. Only members of our White folk may be citizens of the Nation.
3. No Communist or Liberal may be a citizen of the Nation, because of advocacy of the mongrelization of our White folk.
4. No Humanist or Pacifist may be a citizen of the Nation, because of disloyalty to the Nation.

Folk Policy:

5. The Government shall promote White folk integrity through the complete and officially enforced segregation of all non-Whites in the Nation.
6. We demand that all intermarriage between citizens of the Nation and non-Whites in the Nation be outlawed.
7. We demand the creation of a National Eugenics Commission to secure the ethnic future of our White folk.
8. Immigration shall be restricted to select White folk from lands of ethnic consanguinity.

Civil Rights Policy:

9. All citizens of the Nation shall share equal duties and enjoy equal rights and privileges.
10. The right to vote on the Government and legislation of the Nation shall be the privilege of citizens of the Nation only.
11. Only citizens of the Nation may be candidates for public office, and be employed in departments and agencies of the national and local governments.
12. Only citizens of the Nation may engage in jurisprudence, and be eligible for court and jury duty.
13. Only citizens of the Nation may bear arms and serve as members of the armed forces of the Nation.
14. All persons engaged in activities of entertainment and educational and cultural expression must be citizens of the Nation.

Economic Policy:

15. The workers, farmers, industrial and agricultural technicians, engineers, managers, and businessmen, as citizens of the Nation,

shall work together as a team and be represented by their own members of the Government ... they will subordinate their individual and group interests to the greater interests of their White folk as a whole.

16. The Government shall secure private enterprise by guaranteeing equality of economic opportunity for all citizens of the Nation.
17. We demand a fair price for both producer and consumer, and the safeguarding of both against speculation and profiteering.
18. As science increases the power to produce, we demand that the purchasing power of the consumer be raised proportionately.
19. The Government shall alone exercise its constitutional right to issue debt- and interest-free currency, based on the national production of goods and renderance of services.

Social Policy:

20. The Government shall secure the unending improvement of the health and living conditions of the citizens of the Nation.
21. We demand the total elimination of flood and dust-bowl conditions under a long-range program to conserve, utilize, and develop the water, soil, forest, mineral, and nuclear resources of our North American Continent.
22. We demand the development of proper recreational facilities for the White youth of the Nation, beginning with the establishment of youth centers in every community.
23. We demand the complete reorganization of our educational system, so that every individual citizen of the Nation is afforded full opportunity for self-expression, self-realization, and thorough integration into the life of his White folk Community.

Foreign Policy:

24. We demand that the sovereign interests of our Nation be secured by firm and sound bilateral diplomacy.
25. A strong and effective system of national defense shall be created to meet any international eventuality.
26. We demand the formal incorporation of Canada, Greenland, and the adjacent North Polar Regions into our Nation.

Political Policy:

27. We demand a reorganization of all governmental departments to eliminate duplication, waste, and corruption, and to insure efficiency, economy, and sound administration.
28. We demand the elimination of all ideology and influences from every phase of our political and cultural life which tend to cause the degeneration of our White folk Community.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action
of the
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

APPENDIXNATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Aka. THE AMERICAN NAZI PARTY, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago Unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1966, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second and third source advised in December, 1966, that a directive was received from the National Headquarters in Arlington, Virginia, by the Chicago Unit of the ANP, 1314 West Ohio Street, during December, 1966, advising that the official name of the organization beginning January, 1967, would be National Socialist White People's Party (NSWPP).

The second source advised on July 14, 1967, that the Chicago Unit of the NSWPP has sent out appeals for money and has had printed up literature and "throw aways" under the heading of the "American Nazi Party (National Socialist White People's Party), Natl. H.Q., Box 5505, Arlington, Va.--Chicago H.Q: 1314 W. Ohio St."

A fourth source advised on August 10, 1967, that the Chicago branch of the NSWPP is located at 1314 West Ohio Street, Chicago, Illinois, [] is the Chicago leader.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also known as the American Nazi Party,
American Nazis, the World Union of
Free Enterprise National Socialists,
the George Lincoln Rockwell Party

On September 8, 1967, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, JR., took command of the Party after ROCKWELL's assassination.

NATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office of the NSRP. The Chicago branch of the NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, Chicago branch NSRP vacated premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On July 12, 1967, the second source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt," reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

FIGHTING AMERICAN NATIONALISTS

A source advised on April 10, 1961, that the Chicago Branch, Fighting American Nationalists (FAN), was established at Chicago, Illinois, in November, 1960, as a "front group" of the American Nazi Party (ANP). Source stated the expressed purpose for establishing the Chicago Branch, FAN, was to create a "training ground" for ultimate membership in the ANP.

b6
b7C

Source stated that as of February 1, 1961, the Chicago Branch, FAN, was headed by [REDACTED] Commander, ANP, who is assisted by MATTHIAS KOEHL, JR., Illinois Secretary-Treasurer, ANP.

On May 22, 1962, MATTHIAS KOEHL, JR., self-identified Lieutenant, ANP, Chicago, Illinois, advised that as of that date, all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of the ANP membership was assigned to the FAN, a front group of the ANP. KOEHL stated the purpose of the FAN was to afford the young, inexperienced individuals in their group with organizational training and certain indoctrination into National Socialism. In recent weeks all activities have slowly been consolidated into the ANP operation and the FAN organization has ceased to exist in Chicago, Illinois.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLPH HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: [redacted] the National Director, [redacted] and [redacted]

A source advised on February 17, 1961, that in talking to [redacted], ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.
